It has been said if you could take only one trip in a lifetime, it should be Egypt.

Journey back in time…

to the great age of the mighty pharaohs. Cruise the Nile River, visit the Pyramids of Giza, the temples of Luxor, Karnak and Abu Simbel. Explore the Egyptian Museum, the colorful bazaars of Cairo and watch the sunrise at St. Catherine’s Monastery where Moses received the Ten Commandments.

Combine all of this and more with a liveaboard dive safari in the world famous Red Sea and you have the vacation of a lifetime. The Red Sea offers a fantastic variety of underwater scenery and marine life. Explore the wrecks in the Strait of Gubal, the stunning walls and plunging drop offs of the Brothers Islands, Daedalus Reef and Ras Mohamed. Swim with pelagic species such as mantas, tuna and sharks including: grey & white tip reef sharks, hammerheads, silvertips, thresher and oceanic white tips. Wreck divers will want to add the 415 foot “SS Thistlegorm” to their must-dive list. Looking to try something a little different? Ask us about a camel diving safari in Dahab. From dolphins to dugong, the Red Sea has it all.
Emperor Divers

Since 1992, Emperor Divers has been providing top quality Red Sea Dive vacations. The Emperor fleet of state-of-the-art liveaboard vessels is one of the largest and most reputable in the Red Sea, offering a range of boats for every budget. All are custom designed with air conditioning and private bathrooms, holding a maximum of 20 divers. Enjoy special touches like free Nitrox, bathrobes and wine with dinner on the top vessels. Emperor’s team of professionals brings an unparalleled level of knowledge and service.

Choose one or two week dive safaris in both the Northern and Southern Red Sea, covering 12 different routes that suit a wide range of budgets and all the best dive sites the Red Sea has to offer. The dive season is year-round, with water temperatures ranging from 68F (20C) in the winter to 84F (29C) in the summer. For those who prefer day dives, Emperor Divers has PADI and BSAC accredited dive centers at Sharm El Sheikh, Marsa Alam, Nuweiba and Hurghada.
The soft coral capital of the world, Fiji is one of the most popular dive destinations in the South Pacific. Create spectacular diving adventures with a combination of land based dive resorts and liveaboards. Between dives, explore lush forests with over 2000 indigenous plant species, and stroll through orchards of mandarins, pineapples and mangoes.

Elevated views, great food, warm & wonderful staff and, above all, a top dive location with 34 deluxe bures in a beautiful island setting with mainland convenience. All inclusive packages with unique memories are yours at Wananavu. From beginners to braggars there’s something for everyone at Dive Wananavu from the thousand-fish frenzies off Nananu-I-Ra to the awe inspiring soft corals and enormous fish of the Bligh Waters. You haven’t dived Fiji until you Dive Wananavu. A PADI Gold Palm Resort.
Our dive vacation to Micronesia was fantastic, due in large part to Fly and Sea’s knowledgeable travel agents. They have a knack for matching your personality to the details of your dive holiday. Really our vacation began before ever leaving home because Fly and Sea takes care of everything with a personal, professional touch!

Matana Beach Resort & Dive Kadavu

Experience world-class diving and enjoy the unspoiled beauty of Kadavu. Over 40 dive sites, abundant tropical fish, walls of soft and hard corals. A chance to see mantas, turtles and sharks. Suitable for beginners, advanced divers and non-divers alike. Trips to the “Great Astrolabe Reef” are available. Go hiking, kayaking, snorkeling, swimming, diving or just relax in a hammock with a cocktail from the beach bar and watch another spectacular sunset.

Beqa Lagoon Resort

In the heart of the South Pacific lies the secluded Fiji island paradise of Beqa. Surrounded by one of the world’s largest and most spectacular barrier reefs, Beqa is rich and untouched. Featuring 25 generously sized deluxe air-conditioned villas beautifully appointed with traditional island décor. 12 beachfront bures grace the shoreline each with their own private courtyard, large sundeck and cool plunge pool. For families and groups there are also 4 comfortable and spacious two-bedroom bures.
Tufi Resort

A boutique resort nestled on top of a fjord with a 180-degree panoramic view of the sea. Above and below the sea Tufi will bring alive the hidden treasures of the past with World War II wrecks, great outer reef diving and amazing macro life. Topside, Tufi is culturally alive and fully integrated with the local villages providing an unsurpassed cultural experience. The resort has something to offer all adventure interests. Tufi Resort operates all year round with 24 hour power, 19 air-conditioned bungalows and a fully serviced bar and restaurant.

Papua New Guinea

Located in the centre of the Asia Pacific region, just 160 kilometres north of Australia, PNG is home to unique cultures and some of the world's best diving. Tropical scenery ranges from white sand beaches to mountainous jungle highlands. Surrounded by the Bismark, Coral and Solomon Sea, nutrient rich waters bring a vast array of marine species to the area.
Micronesia

The islands of Micronesia and Palau offer unique opportunities for both resort and liveaboard diving. With the wrecks of Truk Lagoon, the mantas of Yap, and the walls, reefs and Jellyfish Lake of Palau, this remote corner of the world has something special for everyone.

Manta Ray Bay Resort & Yap Divers

Manta Ray Bay Resort & Yap Divers offer everything you want in a great dive vacation! The hotel has 35 modern oversized rooms, each with a/c, TV/DVD, internet, international dial phone, hot water and large comfortable beds. Dine on local and international cuisine aboard the Mnuw- a 110 year old schooner moored just in front of the resort. Quench your thirst with their very own in-house beer made by the Stone Money Brewing Company- the world’s only brewery on a dive resort. Do all of this while watching a movie on the big screen under the stars. The local dive guides command eight modern dive boats, earning them Yap’s only PADI 5 star rating. Once happily exhausted after a day’s diving, you can also pamper yourself in the new Taro Leaf Spa!
Wakatobi Dive Resort

Located northeast of Bali, this remote archipelago is teeming with biodiversity. Guests can explore a remarkable, unspoiled reef system, including unlimited dives on a superb house reef. Wakatobi offers exclusive access to some of the world’s most pristine and prolific tropical reefs. The resort accommodates up to 52 guests in 26 individual bungalows and villas, where you can indulge in an oasis of luxury and service.

Lembeh Resort

A boutique style resort located on Lembeh Island in North Sulawesi. The property is surrounded by lush tropical gardens and blends perfectly into the landscape. Fourteen spacious cottages with perfect views of Lembeh Strait and North Sulawesi sunsets. Modern amenities include air-conditioning, mini bar, wifi internet, ensuite Balinese bathrooms and massage. Lembeh Strait is world renowned for its rare marine life.
A huge thank you to the team at Fly and Sea Dive Adventures for organizing our trip to Palau and Truk. This is our fourth trip with you, and we continue to be thrilled with your extraordinary customer service. From big details to small, you never hesitate to get us the information we need. We look forward to diving with you next year in Egypt!

Tasik Ria Resort & Spa
This intimate resort is located on Tanawangko Bay, North Sulawesi, only 33km from the international airport. Featuring 34 rooms in 2 categories, full air conditioning, mini bar, en-suite bathrooms and cable TV. Nearby Bunaken National Park stretches over 300 square miles of the Sulawesi Sea. Large schools of jacks and barracuda as well as humphhead parrotfish, napoleon wrasse and big dogtooth tuna patrol Bunaken’s walls and reefs. Experience fascinating muck diving on the Tasik Ria house reef. Full board meal plans are available.
Philippines
where the circle of life begins

With over 7000 islands to choose from, great diving is not hard to find. The Philippines is a diverse marine eco system with over 3000 species of fish, 450 species of coral, WWII shipwrecks, coral gardens and dramatic wall dives. Be sure to visit Tubbataha Reefs Natural Park, which is a UNESCO World Heritage Site.

Bahura Resort & Spa
If you are looking for peace and privacy you will find it here. You will also find great diving on the house reef - which is a protected sanctuary - and at Apo Island only a short boat trip away. The resort includes 40 rooms, swimming pool, spa and dive facilities.

El Galleon Dive Resort & Hotel
Located in Puerto Galera, close to some of Asia’s finest diving. On-site dive facilities include Asia Divers and Tech Asia, which provide quality dive charters and training for recreational and technical divers. The resort features 28 air-conditioned rooms plus luxury studio apartments and houses at the nearby Waimea complex. Other activities include: kayaking, sailing, sunset cruises, beach hopping, volleyball, snorkeling, trekking and golf.
Atlantis Resorts
Come as a guest, leave as a friend.

Atlantis Dive Resorts feature locations in both Dumaguete and Puerto Galera, while the new liveaboard Azores visits most of the top dive destinations in the Philippines. Western management supported by a team of PADI Course Directors ensure divers receive a high degree of reliable and professional service.

Atlantis Puerto Galera is just 70 miles south of Manila on the island of Mindoro. She is truly one of the last great undiscovered dive destinations in the world.

Atlantis Dumaguete is on the island of Negros Oriental, just a short flight from Manila. With its long uncrowded sandy beach and first class resort facilities, Dumaguete offers an almost surreal setting of peace and relaxation. This is the tropical dive paradise you have dreamed of.
Malaysian

Borneo

Mabul & Sipadan

Known for its sheer walls, Sipadan is a photographer’s paradise. It is possible to see dozens of turtles and swim with thousands of jacks and barracuda on a single dive. The nearby island of Mabul is a wonderland of strange and exotic creatures.

Borneo Divers Resort

Diving on Sipadan was pioneered by Borneo Divers, located on the island of Mabul, only 15 minutes by boat from Sipadan. This all-inclusive dive resort offers 30 fully air conditioned deluxe rooms in beautiful chalets that are constructed from hardwoods in a local style. Borneo Divers offers daily boat trips to a variety of local sites including: Sipadan, Mabul and Kapalai. Unlimited jetty diving is available on the Mabul house reef.

The Maldives Islands lie Southwest of India – 1190 islands scattered across the equator like a string of pearls. Famed for its rare underwater beauty and profusion of psychedelic colors, the abundance of underwater life has fascinated divers and snorkelers alike, ever since the Maldives were first discovered as a diving destination. The vast atolls of the Maldives are best explored via liveaboard. Choose between 7 - 11 night sailings. Routes vary and can include South & North Male Atolls, some or all of Ari Atoll and Felidhu Atoll.
Popular for North Americans and Europeans alike, Mexico offers both great diving and great value. From the mantas of Socorro to the great whites of Guadalupe, and from the walls and reefs of Cozumel to the cenotes of Akumal, Mexico offers something for everyone.

Located on the Caribbean side of Mexico, this year-round site offers incredible walls, great visibility and most of all: easy drift diving. Still one of the best values out there, we offer a variety of hotels and resorts, from basic to deluxe and all inclusive. As a bonus, the Yucatan Peninsula offers incredible cave diving (cenotes) for divers of all levels.

Dive Paradise

Dive Paradise is Cozumel’s largest independent dive operator, with a fleet of 13 boats and five full service locations. Voted the world’s most popular dive operator three years in a row, Dive Paradise has been providing safe, reliable, fun-filled dive charters and training for over 25 years. Their professional, enthusiastic staff helps Dive Paradise maintain its enviable safety record. Dive Paradise, the name to know and trust in Cozumel! A PADI 5-Star Gold Palm facility.
Bonaire

With over 80 pristine sites to explore, Bonaire has consistently been rated the number one shore diving destination in the world. Being one of the Dutch Antilles Islands and near the coast of Venezuela, Bonaire sits outside of the Hurricane Belt. With perfect year round conditions you can enjoy more than 350 types of fish and 60 different varieties of coral 365 days of the year.

Belmar Oceanfront Apartments
A luxury resort with 20 stylishly decorated oceanfront condos. Set amongst a lush tropical garden, this PADI Gold Palm Resort features 1, 2, and 3 bedroom condos with balcony, providing fantastic ocean-views.

Caribbean Club Bonaire
This cozy 33 unit resort is comfortable and affordable featuring a dive shop, restaurant, bar and swimming pool. Choose from basic studios, one bedroom cottages, two bedroom villas, or an ocean view penthouse.

Buddy Dive Resort
Cozy, friendly and fun this is Bonaire’s premium dive resort. This 78 room dive resort features two restaurants, a Kid’s Club and three swimming pools. Enjoy unlimited shore diving with each package, and a pick up truck to get you around.
Anthony’s Key Resort is a private 8 acre-island located on Roatan. The world’s second longest barrier reef system lies just off Roatan’s shores, giving divers some of the best diving in the Caribbean. The resort offers its guests a modern fleet of 10 dive boats and a PADI Gold Palm 5-Star Instructor Development Center. Options for adventure include: scuba diving, snorkeling, dolphin interactions, hiking, kayaking and horseback riding. Relax in the pool with a cocktail, or enjoy the sunset in a private hammock. At the center of Anthony’s Key is a 30 by 60 foot freshwater pool with a bar and grill hidden away by towering palms.

Thirty miles off the coast of Honduras lie the Bay Islands of Roatan, Utila and Guanaja. Here you will find clear water and unspoiled reefs that are among the healthiest in the Caribbean. Roatan, the largest of the Bay Islands, is a unique, rugged island with dense jungle and a variety of resorts. The smaller Utila is fast becoming known for its frequent whale shark sightings.
Bohio Dive Resort

Bohio Dive Resort on Grand Turk offers fantastic Caribbean diving and relaxing beach holidays with a difference. You’re guaranteed friendly and personal service and a diving experience that will feel like a real vacation. They’re situated on the best diving beach in the world, as voted by a popular men’s magazine, on the leeward side of this quaint Caribbean island. Their food is unrivalled on the island, the ocean views are idyllic and the atmosphere laid back. With just 12 guest rooms and 4 suites, you’ll never feel crowded. All rooms are beachfront and have air conditioning, ceiling fans, fridges and cable TV.

We’re back from a fantastic trip to Egypt organized by Fly & Sea- a week touring the Nile River Valley from Cairo to Aswan and a second week diving the Red Sea. The entire trip was first class, well organized, safe and wonderfully diverse. If you like to travel and dive, this trip is a must! We’ll be in touch soon about Wakatobi!

Turks & Caicos

The Turks and Caicos Islands, a short flight from Florida, lie at the end of the Bahamas chain. Providenciales is the most developed of the Islands, and offers outstanding resorts, restaurants, shopping and modern amenities. Grand Turk, only 7 miles long, offers a delightful Caribbean welcome and great diving for both advanced and beginner divers.

Belize

Even though Belize is home to the second largest barrier reef in the world, it is most well known for the famous Blue Hole. Whether you go to the largest island, Ambergris Caye, or one of the smaller atolls like Turneffe Island or Lighthouse Reef, you are in for a treat.

Kids Sea Camp

Hosted by a variety of exceptional dive resorts each year

Kids Sea Camp is a fun-filled vacation for families who love the ocean. A full week’s schedule of events and educational programs promises great times and learning experiences for families with kids age 4-15. Each week includes 7 nights accommodation, diving, snorkeling, meals, excursions and activities for both adults and kids including many PADI Specialty courses.

**Live-aboard adventures**

Fly and Sea Dive Adventures works with dozens of liveaboards all over the world. With countless dive locations and boats of varying degrees of luxury and amenities, we can design a liveaboard vacation that’s perfect for you. The next four pages are an overview of just a few boats our customers have enjoyed.

Mike’s multi award-winning vessel *Spoilsport* is based in Cairns, Australia. Dive with giant potato cod on a 3 day trip, or explore the Great Barrier Reef and Coral Sea on 4 or 7 day trips. Large dive decks, unique entry/exit platforms and multi-level camera tables make diving effortless. Enjoy exceptional service, including chef prepared meals, Reef Ecology Programs, as well as Nitrox and solo diving.

All five vessels are long range adventure cruisers custom designed for diving, with cozy interiors, well-stocked bars, efficient staff and impeccable service. Itineraries are available to all of the best dive sites including: Apo Reef, Coron Wrecks, Tubbataha Reefs, Bonito, Puerto Galera, Malapascua, Fortune, Lubang, Maniguin, Panagatan Cays, Cabilao, Balicasag, Apo Island and more.

A deluxe 114 foot liveaboard with 8 private, air conditioned staterooms with ensuite facilities for 16 pampered divers. She offers itineraries to some of the top dive destinations in the Philippines like: Anilao, Bohol, Southern Leyte and Tubbataha.
Explorer Ventures runs three deluxe liveaboards operating in four locations on the following 3 boats:

**Galapagos**

*MV Humboldt Explorer*
Dive the Galapagos in comfort on the newest ship in the fleet. Built in Ecuador in 2009 specifically for the Galapagos, she is a 106 foot, 2 level steel monohull vessel, built for stability on the long crossings to Darwin and Wolf. The vessel offers 6 lower and 2 upper staterooms, each with large windows, private baths and twin beds that convert to a queen bed.

**Caribbean**

*Caribbean Explorer II*
This deluxe liveboard carries 18 passengers in nine air-conditioned double staterooms. Rooms have a private bathroom, shower and toilet.

**Southern Bahamas**
Weekly departures are available during the spring and summer months from picturesque George Town, Bahamas. Enjoy the big-animal action, pristine walls and reefs that only the Southern Bahamas provides.

**Northeastern Caribbean:**
The fall and winter months find the vessel in the northeastern Caribbean departing every other week from St. Kitts or St. Maarten. The itinerary combines pristine diving and wonderful optional island tours. Dive the pinnacles of Saba, the wrecks and reefs of Statia and the finger reefs and drop offs of St. Kitts.

**Turks & Caicos**

*Turks & Caicos Explorer II*
Hop aboard the beautiful Turks & Caicos Explorer II for a bit of luxury and terrific diving. This vessel carries no more than 20 guests and departs weekly from Providenciales. All staterooms have portholes or windows, air-conditioning and private ensuite bathrooms. You can dive up to 5 times daily on incredible sites such as Black Coral Forest and Shark Hotel, along with a multitude of others, including the region’s plunging walls.
**Guadalupe**

If you’d like to see great white sharks, Guadalupe is the world’s best site, with over 100 great whites populating the bay where the submersible cage diving takes place. Sea conditions at the anchorage are generally calm with up to 40 meter visibility in warm blue water.

**Socorro**

Socorro Island is a remarkable setting for anyone wanting to see mantas. It’s also possible you’ll see sharks, including silky, reef, hammerhead, whitetip, silvertip, or tiger sharks. Whale shark and bottlenose dolphin sightings are also possible in this remote and beautiful archipelago.

**SS Thorfinn**

Dive the wrecks of Truk Lagoon onboard this sturdy vessel. At 170 ft. in length she is one of the world’s largest wreck diving cruisers. Accommodating just 22 passengers in 11 double cabins, she is comfortable and spacious. Free nitrox up to 36% and O2 to 100% from newly installed oxygen generators. Devoted wreck divers know there is nowhere in the world like Truk- come and enjoy it onboard the **SS Thorfinn**.
